

## ‘LOOK WHO’S TALKING!’

**Katie McCormick (Age 11)** I have a younger sister Emily who is 6.

**Best bits of lockdown** I’m getting to spend more time with my family, I get to play Roblox more, my uncle bought me a skateboard so I get to take it to the park and practice and I’m getting to read loads more books. I’ve just read the first Harry Potter book and I loved it!

**Worst bits of lockdown** I miss seeing my friends and family but now I’m able to meet up with some of them in the park or in their garden.

I still get lots of schoolwork but I miss my teacher as my new ones aren’t as good! I miss going to the beach and all my clubs like guides, youth club and drama though we do drama online with zoom.

My favourite singer is Billie Eilish and I also like Frank Turner and Rend Collective. I like watching Horrible Histories and Avatar (my sister Emily makes me watch this). I’m in P7 at Orangefield Primary School and I never thought I’d say it but I really miss school! I was supposed to be going to Edinburgh for my P7 leavers trip but it was cancelled. My principal says she is going to have a special assembly for all of us when this is over. I got to go to school and collect my leavers hoodie which has the names of everyone in the P7 classes on it – I love it, its so warm! I also got my letter this week to say that I’m going to Grosvenor when schools start back and so are some of my friends so I’m really excited about that!

My favourite place to go on holiday is Achill Island with my family. We were supposed to be going in July but don’t know whether we can anymore. I love Achill because I can go bodyboarding, go to the funfair and go to the pizza restaurant. In church I miss going to guides, doing all the Kidzone activities and the biscuits! I can’t wait to go swimming once we’re allowed out again having sleepovers at cousins, going to the cinema and Little Wing pizzas.

One older sister called Katie

No pets (I used to have a pet hamster called Giggles)  
The best bit about being at home during lockdown is getting to watch lots of movies. I really liked the Playmobil movie. I like going to the park a lot and playing basketball and football. I missed Spoon Street being open and I miss my friends from school, especially my best friend Georgia.

I go to Orangefield Primary School. I will be going into P3 in September.

I sort of miss school, I miss my friends the most. Playtime is my favourite thing at school, the work is my least favourite.

I do not like homeschooling.

I like Mummy teaching me better than Daddy. I have been doing lots of experiments with science kits and building crafts with my Uncle Matthew who is staying with us. We have made obstacle courses in the back garden and played football and basketball in the garden too.

I sometimes help set the table for dinner. I love eating Lucky Charms for breakfast. And I like fish cakes, chicken and mashed potato. I do not like spicy rice.

I like watching the Avatar Series and The Dragon Prince on Netflix. I like listening to Rend Co Kids and Frank Turner. I really like The Day the Crayons Quit by Olivier Jeffers and Drew Daywalt. Achill Island is my favourite place to go on holidays.

I miss the arts and crafts in Kidzone and Edwards talks at the front. I can't wait to go swimming again.

I want to thank the leaders in Kidzone for telling us all about Jesus.

Thank you  
Love Emily McCormick
