

## **WELCOME TO WORSHIP**

We are always happy to have visitors with us in Cregagh; and we welcome any who may be worshipping with us today.

We would ask our members and visitors to remain seated at the end of the service until directed to leave by an usher. Please do not stop to chat in the church pews or aisles but you may do so in the church grounds obviously observing social distancing.

## **BAPTISMS**

The babies baptised at the 12.00 noon service today are:

Grateful thanks to those who have contributed to the 'Harvest Offering for the Building Fund' The total raised, thus far, is £4,705.00 but there is still time to make a contribution. There are still 'Harvest Gift Day' envelopes available for your use in the Church Vestibule and McIntyre Suite. If you are unable to attend worship in these restricted times, and would like to contribute, you may wish to post your donation to Richard Molyneaux, 14 Meadow Way, Crawfordsburn, Co. Down BT19 1JJ. We have provided paint to enable this to be done and have provided prridge to feed these vulnerable children. ## **RESPONDING TO COVID-19**

Friends,

We are all aware of the delicate situation that is developing around us.

With new restrictions coming into place Kirk Session have agreed, in line with government and denominational advice, to suspend all activities in the church building other than Sunday worship for the next four weeks: 19th Oct-13th Nov inclusive.

Regrettably this will include a three week break from KidZone and Bible Class with both resuming God willing on Sunday 8th, however children are still very welcome to attend our Sunday services.

We wish to strike a balance between protecting folk yet also protecting our right to corporate worship, which we do not want to see taken away from us again.

I appreciate the uncertainty and concern that surrounds us but we trust that this situation can and will improve, we have come so far already and God is still on the throne. This will come to pass.

God bless,

Your friend and minister,

Edward

## FURTHER COVID UPDATE

At Cregagh we wish to create an environment that is both welcoming and safe. While we would actively encourage all members to come back to worship, believing it safe to do so with the measures we have taken, we also wish to highlight that no one should come to services if they have symptoms.

As we continue to move forward towards something more like normal it is imperative that we do so by insuring that all actions are in line with current guidelines and restrictions. With no changes to PCI guidelines regarding 2m social distance the same arrangements for services that are currently in place will continue throughout this month, continuing to provide a service at 10am and 12noon, accommodating around 60 people on each occasion. Doors will be opened at 9:30am and 11:30am so that folk can be guided and seated. The wearing of face coverings, is now mandatory when entering and exiting the building and formally advised and strongly encouraged, by PCI, that they be worn during the service.

Members are still being asked to register, due to 'contact tracing', by contacting Michael on email or phone, indicating which Sunday(s), how many are 'in their bubble' and attending with them, as well as which time slot(s). As before those who have registered will be asked to inform Michael if for whatever reason someone cannot attend so that the register can be as accurate as possible.

The services themselves will continue to be slightly shorter than normal and present arrangements regarding offering will remain in place. There will be no offering plate passed around during services but there are three stations where you can drop your offering off as you leave the building. Over the month of October we will continue to gradually incorporate shared singing, including inviting the congregation to stand. Even though KidZone and crèche will be unavailable children and babies are very welcome at our services!

The issue of offering lifts to church continues to be a difficult one but the official position in terms of the guidelines is that folk should still not offer nor provide lifts to anyone outside of their bubble. Unfortunately pastoral visitation is still limited to emergencies and bereavements.

It would be anticipated that all practices would be reviewed in the coming weeks.
