

EDUCATION IN MALAWI

STUDENT SPECIAL 2020

"God bless you so that you can continue to help us and make our future bright"

ESNATH BISKETI, AGE 15, STELLA MARIS SECONDARY SCHOOL
SCHOOL FEES PAID FOR BY CREGAGH PRESBYTERIAN CHURCH

We have been fortunate at Cregagh to see our children and young people return safely to education in recent months.

Similarly in Malawi, we are helping to provide financial support to enable our sponsored students to do the same. Schools reopened on 12 October and we were blessed to be able to provide the school fees for our secondary students along with some sanitiser, soap and masks.

MEET THE STUDENTS...

Jonathan Thwani, age 14 attends Mtendere Secondary School and he has written to Cregagh sharing his experience of education in Malawi thanks to your support.

'At secondary school level, this is another difficult level. After struggling with primary school most of the parents fail to pay school fees. If a student has no school fees he/she is not allowed to attend classes. Therefore some of the students fail to finish this level because of lacking school fees and basic needs. We are very glad, me and my fellow friends because of the help you support us. We all say thanks for giving us maize flour, sugar, soap, soya meat and other commodities to mention a few. Other students search for these

basic needs on their own therefore do not have enough to make their studies properly.'

Esnath Bisketi, age 15 attends Stella Maris Secondary School and Flora Kapalamula, age 15 attends Providence Secondary School.

'At secondary school level, things get harder than before. This is because at secondary schools we pay school fees. Therefore most of the girls stop going to school because parents fail to pay school fees. This is because they get little salary from their work and most girls do not afford to provide themselves with school fees. We are very lucky because God choose you to help us and we are very thankful for supporting us. We are better of than others because of the school fees you support us and school material including food. This made our school journey nice and easy. We promise to work extra hard so that we will never make you to be disappointed with us.'

THANK YOU to those who have generously supported pupils in the past as it really has made a difference.

It costs around £30 per term so if you wish to support again, or for the first time please contact Sheena Stewart:
