

## **WELCOME TO WORSHIP**

We are always happy to have visitors with us in Cregagh; and we welcome any who may be worshipping with us today. We especially welcome members of our PW in church, some of whom are taking part in the services.

We would ask our members and visitors to remain seated at the end of the service until directed to leave by an usher. It would also be appreciated if when entering church for the services that you sit in the pews as directed by the ushers and not request another seat – this arrangement is to ensure safety and suitable social distancing.

## COVID UPDATE

At Cregagh we wish to create an environment that is both welcoming and safe. While we would actively encourage all members to come back to worship, believing it safe to do so with the measures we have taken, we also wish to highlight that no one should come to services if they have symptoms.

As we continue to move forward towards something more like normal it is imperative that we do so by insuring that all actions are in line with current guidelines and restrictions. With no changes to PCI guidelines regarding 2m social distance the same arrangements for services that are currently in place will continue throughout November and December, continuing to provide (with a few exceptions for Christmas services – see News Sheet announcements) a service at 10am and 12noon, accommodating around 60 people on each occasion. Doors will be opened at 9:30am and 11:30am so that folk can be guided and seated. The wearing of face coverings, is now mandatory when entering and exiting the building and formally advised and strongly encouraged, by PCI, that they be worn throughout the service.

Members are still being asked to register, due to ‘contact tracing’, by contacting Michael Graham on email or phone, indicating which service(s), how many are ‘in their bubble’ and attending with them, as well as which time slot(s). As before those who have registered will be asked to inform Michael and if for whatever reason someone cannot attend so that the register can be as accurate as possible.

The services themselves will continue to be slightly shorter than normal and present arrangements regarding offering will remain in place.

It is great that KidZone has started up again, Karen and Jim are happy to carry on covering the months of November and December, however it would be useful if parents could register by Friday so that appropriate preparations can be made.

Unfortunately the restrictions are still extremely tight regarding Creche so it will not be available for the time being. However babies are very welcome at our services!

The issue of offering lifts to church continues to be a difficult one but the official position in terms of the guidelines is that folk should still not offer nor provide lifts to anyone outside of their bubble. Unfortunately pastoral visitation is still limited to emergencies and bereavements.

It would be anticipated that all practices would be reviewed on Monday 11<sup>th</sup> January.
