

What's the Buzz?

For the next few weeks we are going to see what Busy Bees KidZone have been, in particular how they got on over Christmas and what they are doing now in home schooling.

RUBY CARSON

I had a lovely Christmas with my family at Granny Anne's house. She makes a nice Christmas dinner, her Christmas pudding and custard is my favourite.

I was sad though too as I lost my Granny Betty and I hadn't been able to visit her with the coronavirus. I am glad she's now in heaven though.

I got some lovely Christmas gifts; some new Levi jeans, earrings & perfume. I was very happy and grateful I could spend time with my grandparents.

I am having to home school at home which is difficult. I can't wait to get back to school and see my friends. I am enjoying learning Spanish at home. It is my favourite subject and hope to go back to Spain when this is all over and speak the language!

HARRY CARSON

I really enjoyed Christmas this year as I was so excited about Santa coming to my house. I got a police car and Postman Pat van and I love playing with all my trains. I was a good boy on Christmas day and ate up all my dinner. I love turkey sandwiches. I am going to school this week for a few days as my mum and dad are working. I cannot wait to see Mrs Hanlon my teacher and show her I can now spell my name.

JESSICA CARSON

Christmas this year was different because of Covid 19. We couldn't see all our family like we normally do and I wasn't allowed to go to school 2 weeks before they finished as my mum had coronavirus. I was lucky we went to my Granny Anne's & Granda Michael's for Christmas dinner as they are in our childcare bubble. Santa brought a Harry Potter costume and toy parrot. I played with them all day long. I really enjoyed my Christmas dinner, my favourite bit is the stuffing. The weather has been so cold and I have been out on my scooter and sliding in the ice with my brother, Harry. We had a good walk at Castle Ward. I have

been homeschooling all this week and it is so boring apart from reading my new Harry Potter novel. I am glad to be going to school this week as mum and dad are key workers and I will get to see my friends, Erin, Quin and Anna. This makes me happy, plus it is my birthday on January 13th. I cannot celebrate it with my friends but mum and dad are taking me for a day out to Delamont country park instead.

EADY MOLLOY

Christmas in my house was lots of fun. I got Lego, Barbie ambulance, Barbie caravan and lots of other lovely things from my family and friends.

We then went to my Nanny and Poppy's house for a while before my Auntie Sharon collected us and took us to her house for Christmas Dinner.

I had garlic bread (my favourite) for starter then, pigs in blankets, turkey, ham and roasties with lots of gravy. Then I had 3 different types of ice cream for afters.

I love dogs and my auntie Sharon has a lovely dog called Fig. I loved cuddling and playing with him. We took him for a big walk after dinner which was lovely.

Christmas was lovely and I had lots of fun.
