

What's the Buzz?

For the next few weeks we are going to see what Busy Bees KidZone have been, in particular how they got on over Christmas and what they are doing now in home schooling.

ELLA POLLOCK

This was my first Christmas in my new house. On Christmas morning I got up early to see my presents from Santa. I got a smart watch, a trampoline, Lego, games and lots of clothes. We went to church and I wore my new watch. My brother Ollie brought his baby shark toy to church - it was very noisy. We were able to meet Nana and Granda, Kirsty, Aaron and Ada. I had Christmas dinner in my own house with Mum, Dad, Ollie and Jax my dog. I missed being with all the family especially my cousin Ada who I like to play with. My favourite part of the dinner was the ham, roast potatoes and gravy. I do not like brussel sprouts. After dinner we played games - Pictionary and Hungry Hippos.

Each week I get a pack of work from the school along with my reading books. My Mum and Dad both try to help me but they are not as good as my teacher Miss Anderson. I do maths, spellings, writing stories and reading. Sometimes I do schoolwork online on SeeSaw to do maths and number games. I miss seeing my friends at school and I miss doing Art and P.E. I have been learning about the Arctic and the animals that live there.

JACK McKENZIE

I liked Christmas, granny came to stay and we got lots of presents, I got a new police bike with a spiky lizard helmet. I also got lots of 'squashy' presents, which are usually clothes, one of my new jumpers had a big shark on it!

We went to Nana and Pappo's for dinner, I don't like vegetables so I tried to give them to the dogs!

I miss my teacher and going to school, I wish coronavirus would go away. I don't really like home-schooling, except for when we had to make up jokes for our teacher - my best joke is about my favourite food - mushrooms

***"Why does Alfie not like mushrooms?
Because he's not a fungi!"***

Mummy always makes me tidy my room but I'm not very good at it and get tired quickly.

We have done lots of fun stuff at home, we baked cakes and pancakes, Daddy let me flip my own in the pan.

We played board games and nerf gun wars in the dark. I like to cut up paper into shapes which makes a mess of the whole house!

We went for walks in parks, Cregagh Glen and to Giant's Ring, I love to run ahead and splash in muddy puddles but don't like it when we have to climb hills!
