

What's the Buzz?

For the next few weeks we are going to see what Busy Bees KidZone have been, in particular how they got on over Christmas and what they are doing now in home schooling.

ESME SKEET

I had a lovely lockdown Christmas with my mummy and daddy and my baby brother, Dylan. We played lots of games and I liked decorating the Christmas tree. On Christmas day I got a new bike and helmet so after church, I went for a bike ride to my Nanny and Granda's house where we had our Christmas dinner. It was yummy! I enjoyed the turkey and ham and gravy! I also got some face paints for Christmas and I got my face painted as a doggy and a butterfly!

I like going on adventures when it's not too wet and I really loved it when it snowed and I could build a snowman and a snow dog. I was also glad to see the snowman remembered to wear his face mask!

I miss going to church and seeing my friends at Kidzone but I hope everyone is keeping safe and we'll be able to see each other again soon.

JAKE PLATT

I was so excited for Santa to come! I had to make sure I slept all night so that he would leave presents. Santa brought me loads of different things but my favourite was a hot wheels garage set. Santa brought my little sister Lyla a playhouse and kitchen. I helped her make pasta & cut some pretend fruit for Mummy and Daddy. Santa ate his cookie, drank his milk and Rudolph took a big bite out of his carrot. I went to Granny and Granda's house for Christmas dinner. The yummiest bits were the roasties and carrots.

I haven't been able to go to nursery because of the virus but Mrs Collins sends me loads of fun activities to do.

My favourite activity was 'ice toy rescue' where I put tiny toys in water let them freeze & had to try different methods to get my toys out. Smashing the ice with a hammer was my favourite. I can't wait to go back to nursery because I miss my friends and I love my teachers so much.
