

What's the Buzz?

Over the past few months we have seen what Busy Bees KidZone have been. So for what we hope will be our final edition, we wanted to check in with some remaining members of Bible Class and Creche to see what they've been up to. A big thank you to everyone that has contributed over the past year.

CHLOE MOONEY

Hello everybody, I hope you're all staying safe and well. This is me, Chloe. I've been coping okay in this lockdown, although, I have really been missing all my friends and skating at Dundonald Ice Rink.

For Christmas this year we all went to Cavan (even our dog Hallie) to stay with my granny. My mum and auntie made a lovely Christmas dinner. I love spending Christmas on the farm with my cousins. I got lots of lovely presents, my favourites were my AirPods and my Nike Jordan's (shoes).

During this lockdown I have taken part in lots of zoom classes for my Ice Skating, Guides and Bible Class. It has proven to be a great way of staying in contact with my friends. I am not really a big fan of school but my favourite subjects are Technology & Design and P.E. and someday I hope to either be a civil engineer or a physiotherapist.

I am a competitive figure skater and have been skating for five years now. I enjoy taking part in competitions in England and Scotland and been missing the skating aspect of my life a lot since the pandemic began last year.

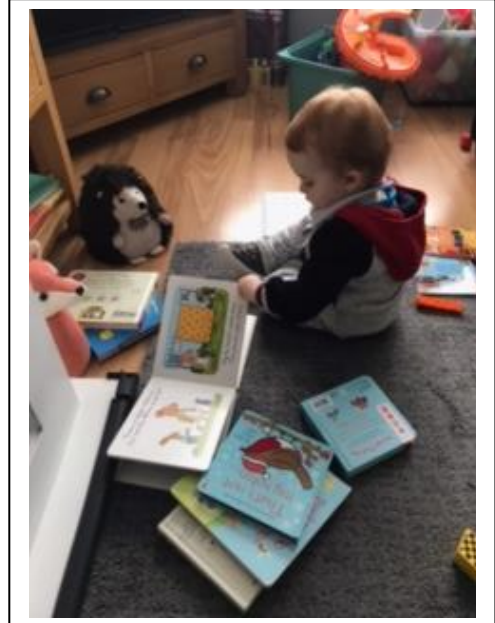

In my free time I enjoy teaching myself to bake yummy foods, doing art and hanging out with my friends. I also have a slight addiction to TikTok, as well as watching movies on Netflix.

I hope you have enjoyed learning a little bit about me. And I hope to see you all soon. Take care, Chloe

DANIEL CLARKE

I am now one and a half years old and I have no idea what lockdown is or what it means. I am busy every day getting up to mischief and I have been learning to walk. I am getting faster and more confident each day. I love going to see my Granny when mummy and daddy are working.

I enjoy going outside in the good weather and going for a ride on my tricycle. I enjoy having snacks, pancakes are my favourite. I love to chill out after a busy day reading my books.

ADA DIVER

During lockdown I have had lots of fun. I loved playing in the snow earlier this year and helped Daddy build a snowman.

We have been going for lots of walks and I'm so happy that we can now meet my cousins outside at the park.

I celebrated World Book Day by dressing up as Peppa Pig and reading my favourite Peppa books. Mummy and I both had the chicken pox but thankfully all our spots are gone now! I hope we can get back to our lovely crèche at Cregagh soon.
