### **FLOURISH NI**

At a recent meeting with Flourish NI we were made aware by staff that they have relocated to premises at Botanic Avenue. The increase for their support is at an all-time high due to the number of referrals to their services (male, females and family units). This has caused a drain on resources and in particular their food bank. They are short on the following items, coffee, ketchup, mayo, noodles, spices, tuna, sardines, rice, cooking oil, toilet rolls.

I know things are tough at present but if you could provide one or two items during the month of November, it really would be appreciated.

Jill Robinson has asked the congregation to pray for the staff and vulnerable clients. Flourish NI. is a Christian organisation which provides much needed support for Victims of Human Trafficking. Jill will attend (DV) at our Connect Service in the New Year to speak on their work.

### **CHRISTMAS WORKSHOP**

There have been a few requests for the Christmas wreath making class at the church. If anyone is interested please speak to Maureen as soon as possible so arrangements can be made

## VISITOR FROM PAKISTAN

Thank you to those who have already contributed to Donna's College in Pakistan. She has since broken her ankle and has undergone surgery so her planned trip has had to be cancelled. Needless to say, she is very disappointed but plans to come at another time. Fundraising for Kinnaird College continues and your help is much appreciated

## RECYCLING

KP company are no longer paying for their crisp bags and those of other crisp brands to be recycled because most supermarkets have a collection point for customers to leave plastic bags incl bread & crisp ones. That means that our recycling scheme in CPC has now come to an end. Members are greatly encouraged to gather all their plastic that doesn't go into household blue bins and take it to their local supermarket. Coffee pods can be recycled as per packaging. Many thanks to all our members who participated in our effort to reduce and recycle waste

## CHURCH DOORS

In an effort to conserve heat in the church over the winter months the main front church door will remain closed on Sundays, with the exception of special services, for the next few months. Entrance may be made through the McIntyre Suite Doors. Your cooperation is much appreciated.
